Projet forage

ZNIEFF type I

Site inscrit

The map shows a detailed view of the area around the drilling project. A red callout box labeled 'Projet forage' points to a specific location on the map. Another red callout box labeled 'ZNIEFF type I' points to a large area with diagonal hatching, representing a Natural Interest Zone of the first type. A third red callout box labeled 'Site inscrit' points to a blue-outlined area, representing an inscribed site. The map also shows various geographical features, roads, and other land parcels.
